

FAR FROM ATHENS

BY GIANMARCO MARAVIGLIA/ECHO

ATHENS, THE ECONOMIC & FINANCIAL CENTRE, HIT BY THE GLOBAL CRISIS, BRINGING ABOUT DESPERATION & VIOLENCE, INSTEAD THE ISLANDS AROUND HAVE A DIFFERENT OUTLOOK.

MOST OF THE INHABITANTS IN THE CAPITAL, HAVE DECIDED TO MOVE, IN SEARCH OF A NEW LIFESTYLE, NEW HOPE...RELAXED, A MORE REALISTIC PERSPECTIVE.

SOME OF WHOM, HAVE RETURNED TO CULTIVATION, TO MOTHER NATURE, OTHERS TO BREEDING LIVESTOCK, SOME OTHERS WHO HAVE EVEN DECIDED TO OPEN A NEW ACTIVITY, BETTING ON THE RESOURCES THAT THE ISLANDS OFFER, NOT JUST WITH TOURISM BUT FOR A MORE STABLE ECONOMIC FUTURE.

IF THE CRISIS IS GLOBAL, THE ONLY INEVITABLE SOLUTION ARE EXPLOITING THE RESOURCES OF THE GREEK ISLANDS, HELD TOGETHER BY ITS STRONG HISTORIC INFLUENCE AND CULTURE.

AND IN A MOMENT IN WHICH, PARTIALLY DIVIDED BY THE LOCAL ENTITIES, RESIDING OVER THESE TERRITORIES EMPOWERED BY INTERNATIONAL SUPER-POWERS, THIS GREEK CHALLENGE BECOMES EVEN MORE ENTICING!
